

Kids Duathlon *DuRunRun* Kids Duathlon

Volunteer Info

We have three main goals for this event:

- 1) to have fun
- 2) to keep the kids safe
- 3) to raise money for Special Olympics.

Listed below are the volunteer categories we need help with in order to make this event a success.

Race Registration You'll be the first ones to greet the kids, check them in, give out race numbers, goodie bags, t-shirts, answer questions and get 'em excited. ONLY those handling money need to be Class A certified by S.O.W.I. It'd be nice to have 3-5 Class A certified just in case. Please contact John Weichelt (SOWI) if you are interested in becoming certified to handle money.

Parking Patrol Provided it doesn't rain, cars will be parking on the grass at the entrance of the park and they will need to be directed into rows. If the grass is muddy, cars will need to be directed to street parking. Sandwich board signs will be provided for 2008, but direction is still needed for cars to get to the right spots.

Food Service We'll have drinks to hand out to the racers all day long. Have them grab what they need. If we get low on water tell an organizer ahead of time so they can get more water if needed.

Balloons Blow up the DuRunRun balloons, tie string to them, and pass them out to the children.

Race Patrol Patrols will have assigned spots for each age group race. You will need to point out course routes, warn to dismount the bike or make sure helmets are strapped on, depending on your position. This is a great way for big brothers and sisters to get involved!

Transition Area Volunteers in this area will assist in parking kid's bikes prior to the race, keeping transitions during the races orderly, blocking out parents from the transition area for the 7-10 age group and keeping parents orderly during the 3-6 age groups.

Finish Line We will not be timing the kids, but just tracking 1st, 2nd, 3rd and so on. All you need to do is tear off the rip strip on their race number and stack them on a peg in the order the racers come in. If you have nimble fingers and can give out "high fives", you'll do just fine.

Race Results We need a couple of organized people to quickly lay out the order the kids come in. Hand them waters and get them up on the platforms for pictures and medal/ribbon ceremony

Bouncy Looking for volunteers to supervise the inflatable bouncy that we have for enjoyment on site. Must make sure you are following the rules indicated. Examples include limiting time spent in there if there is a wait and making sure shoes are taken off.

Clean Up Nothing too glamorous here, but we promise to provide good tunes, and beverages!

All event proceeds to benefit Special Olympics Wisconsin
