

In-Kind Contribution Receipt

In-kind contributions are services and materials donated in place of cash contributions. In-kind contributions are recorded at fair market value. Fair market value should be established on an objective and clearly measurable basis, i.e., normal rent charge for a facility, advertised costs for equipment and the posted price for food or beverage.

Date of Contribution:				interna	formation below is required for al recordkeeping. Per IRS
Contributor				Wisco	nes, Special Olympics nsin is prohibited from shing monetary values for
