

2020 COVID-19 SPORTS CALENDAR

Special Olympics Wisconsin is dedicated to protecting the health and safety of our athletes, volunteers, coaches, officials, staff, and all that contribute to the success of our athletes in training and events. SOWI has adopted a four (4) phase approach to return to activities. Please remember it is important that each athlete and their families/caregivers stay informed and make educated choices about when they are ready to return to play. Athletes will always have the opportunity to participate in virtual competition, no matter which phase their agency is in.

A. RETURN TO PLAY

SOWI has adopted a four (4) phased approach to Return to Play during COVID-19. Visit www.SpecialOlympicsWisconsin.org/Return-To-Play-During-Covid-19 for additional information and resources.

- Phase 0: At Home Virtual Activities
- Phase 1: Small Group Activities
- Phase 2: Large Group Activities
- Phase 3: Limited Size Competition
- Phase 4: Statewide Competitions

B. RETURN TO PLAY PHASING

All agencies must begin in Phase 1 when returning to practice. After two (2) weeks of practice, agencies may petition to advance to the next phase in a certain sport. Agencies can submit one request to advance for all sports in the same season, but Fall Outdoor and Fall Indoor sports must be proposed separately. Local ordinances and group size restrictions supercede the SOWI Return to Play guidelines. If COVID-19 conditions change, SOWI reserves the right to move agencies backward, including to Phase 0.

C. COVID-19 APPROVED SPORTS

SOWI COVID-19 approved sports for Fall 2020 are:

- Fall Outdoor Season
 - Bocce Ball
 - Cornhole
 - Golf
 - Punt, Pass, and Kick
 - SOfit

- Fall Indoor Season
 - Bowling
 - Rings
 - SOfit / Fitness
 - Volleyball Skills
