2. Protests will only be considered for rule infractions (not for umpire judgments).
3. The games rules committee shall make all final judgments.
4. Teams must play a minimum of two (documented) games against other Special Olympics teams prior to registration for district competition. The team roster must remain the same for the two qualifying games, district competition and State competition. Teams that modify their rosters will forfeit all games. Qualifying games must be played against other teams. **One game must be played against a team from another Agency.** Forfeited games do not count toward the scrimmage requirement.

### **SECTION B – DIVISIONING**

### **SECTION C - FIELD**

1. The field shall conform to ASA rules except when Special Olympics modifications apply.

3. The pitching distance will be 46 feet.

### **SECTION D – EQUIPMENT**

1. Only bats marked by the manufacturer as "Official Softball" may be used. All bats must be single wall. In addition, any bat that is not on the approved bat list shown on [www.asasoftball.com/aboutcertified\\_equipment.asp](http://www.asasoftball.com/aboutcertified_equipment.asp) will be considered illegal and may not be used for competition. Use of an illegal bat in a SOWI tournament may result in forfeiture of the game, and all following subsequent games in the tournament. This includes wooden bats which must be marked "official softball" and must be free of defects that might cause the bat to splinter.
2. During warm-ups or during play, the catcher is required to wear a face mask and a batter's or catcher's helmet and a chest protector. Shin guards are strongly suggested for safety, but are not required.

6. Players with illegal uniforms will not be allowed to play. Legality and final approval of the uniform will be determined by the Event Coordinator or SOWI staff (not the Umpire). All players on a team must wear uniforms (shirts and pants) that are identical in color, trim and style. An Arabic number of contrasting color at least six inches high must be worn on the back of all uniform shirts. Taped numbers are not allowed. Team pants must either be all long or all short in style. If this must vary due to health or religious reasons, a Special Needs Form must be completed and **prior approval from SOWI staff must be obtained**. Ball caps, visors and headbands are optional for all players, and all must be worn properly. Player socks need not match. No jewelry is allowed. Teams who do not have the minimum required number of players with legal uniforms to field a team must forfeit.
7. Batting helmets with two ear flaps and **chin straps** are required for all offensive players while batting and base running. The batter must wear the batting helmet at all times while still on the base paths. In addition, any player that **intentionally** removes their helmet while running the bases will automatically be called out. If at any time, a batter is caught without a helmet with a chin strap and a pitch has been delivered, the batter is out.

8. An extra player, referred to as "EP" is optional, but if one is used, it must be made known prior to the start of the game and be listed on the scoring sheet in the regular batting order. 4. A game will be declared completed if one team has a 15-run lead after two innings, a 12-run lead after three innings, or a 10-run lead after four innings, or prior to the start of the last possible inning to be played because of the one-hour time limit.
5. A game tied at the end of regulation play will be continued through an unspecified number of innings until a team is ahead at the end of a full inning.

5. The speed of the pitch will be left entirely to the judgment of the umpire.
6. If the fielding team would like to intentionally walk the batter, the fielding team's coach must notify the umpire prior to the first pitch of the at bat. The batter will advance to first base and there will be no pitches thrown for that at bat.

## **SECTION I – BATTING REGULATIONS**

1. Each player will bat in the order their name appears on the score sheet. A player batting out of order will be called out. If a batter is in the batter's box and a pitch is made, it will be considered a legal "at bat" and the player will be called out for batting out of order. If the player is changed prior to a pitch being thrown, no out will be assessed.
2. Balls will be called by the umpire. Strikes will be called for pitches swung at and missed, foul balls, and pitches within the strike zone but not swung at. [Strike zone consists of a legally pitched ball which hits home plate or the strike mat. (See diagram below.)] **NOTE:** The strike mat does not constitute home plate for the runner.
  - a. Diagram:

**NOTE:** The entire rectangle (17x32) is considered the strike zone.

3. A batter will be out at the third strike.
4. After two strikes, a foul ball will be considered a strike and the batter will be called out.

2. During competition, the line-up shall never exceed five athletes and five partners (six athletes and six partners if the EP is used) at any time. Failure to adhere to the required ratio results in a forfeit.
3. Each team shall have an adult non-playing coach responsible for line-up and conduct of the team during competition. Any team member may act as a base coach. Base coaches must remain in the appropriate marked area.
4. The batting order shall be an alternation of athletes and partners.
5. During competition the following position requirements are: two athletes and two partners in both the infield and outfield, and one athlete and one partner as pitcher and catcher.
6. Unified Sports Softball Shorthanded Rule – A team may start a game with nine players if the line-up includes five athletes and four partners. Any other ratio will result in a forfeit. A team with less than nine players at game time must forfeit the game. The vacant position must be listed last in the batting order and an out will be taken each time the vacant position in the batting order appears. The position requirements must remain the same, except the outfield must now include two athletes and only one partner (two athletes in outfield, two in infield, and one at either pitcher or catcher).
